Instructions:

1. From your main fabric Cut 1 @ 8.5" x 10.5"
2. Cut your strips to add up to another piece that equals 8.5" x 10.5".
3. So that you will be able to see all of the colours in the vinyl we added a 2" strip of the coordinating fabric first followed by 1.5" strips of red, orange, yellow, green and blue. The last colour purple we made 2" again to take in the extra seam used to sew the pouch closed.
4. Use a quarter inch seam to sew the strips together. Stitch to the main fabric piece and you have your main piece of fabric to start the project!
5. Have fun making the pouch unique to you!

xx

Stay Quirky!
